

Animal Rescue League -- Testimonial #3

Oxyganic has proven over and over that it has a place in the veterinary practice. I can only imagine if it were given the opportunity to be used on other medical fields, how they too would see just what it is able to do. Its potential would be limitless

A handwritten signature in black ink that reads "Loretta Hyde". The signature is written in a cursive, flowing style.

Loretta Hyde  
Founder and Kennel Manager  
Animal Rescue League of El Paso
