I jus wanna say thank you.... Butterscotch my cat is doing much better he had complete blockage of his urethra n was hospitalized for crystals n bladder infection and there was a problem and I have had him on the oxygenic since Friday and hes improved 100% no mor straining when he urinates hes playin thank you so much I will b getting more for my other cats and spraying my older cat for the skin problem the other cat has.... You have lifted a big problem off my shoulder
